

RE-USE OF MEDICINES WEBINAR (JUNE 2020): Directory of resources

For care homes and healthcare professionals supporting the care homes

- 30 minute video recording of a webinar about implementation of the guidance
- 30 minute video recording of the Q & A session
- PDF version of the webinar slides
- PDF version of the Q&A session including questions not answered on the video due to time

These are all available on St Christopher's Hospice website – you may need to register to see them but the videos are available for free to anyone to watch.

<https://www.stchristophers.org.uk/course/reuse-medicines-webinar>

For pharmacists supporting care homes with implementation of the re-use of medicines guidance:

A PDF version of the webinar with presenter notes is available on this website. If you would also like a copy of the PowerPoint slides used in the webinar you can email bethan.warner@nhs.net.

Word versions of the resources on this website are also available – contact as above.

Please acknowledge the authors of any resources used or adapted for local use.
