## Bromley Borough Based Board

**DATE: 17<sup>th</sup> November 2020**

<b>Title</b>	<b>Borough Based Performance Report</b>	
This paper is for <b>information</b>		
Executive Summary	<ul style="list-style-type: none"> <li>• This item covers the performance of local indicators included in national performance frameworks, such as the NHS Oversight Framework or LTP.</li> <li>• The report provides the latest performance position) where this is available) and an explanation of the current performance position. Unfortunately, due to the restrictions of COVID, some data collections have been paused and this has caused significant lags in reporting in some areas.</li> <li>• This month's report generally includes more information on the drivers of performance and improvement plans. The report also provides additional data on diabetes structured education, MMR vaccination rates and GP patient experience.</li> <li>• The paper provides key messages so these are not replicated in this cover paper.</li> </ul>	
Recommended action for the Committee	<ul style="list-style-type: none"> <li>• The Board is asked to review and discuss the content</li> <li>• Borough SROs for each area may want to comment on performance</li> <li>• The Board is asked to identify other areas of performance to be included in future reports.</li> </ul>	
Potential Conflicts of Interest	None	
Impacts of this proposal	Key risks & mitigations	The CCG BAF and borough risk registers set out the risk linked to most of the performance areas.

	Equality impact	Not applicable to produce for this document
	Financial impact	No direct financial implications.
Wider support for this proposal	Public Engagement	This report is designed primarily to give the committee an overview of the latest published performance situation. It has not been developed by direct public engagement.
	Other Committee Discussion/ Internal Engagement	Not applicable
