REF	QUESTION	RESPONSE FROM BROMLEY BOROUGH BASED BOARD
	Questions in advance of the meeting	
	No questions were received in advance of the meeting	

	Questions raised during the meeting	
1	<p>One public question was posted on the Q&A section during the meeting which relates to a recent inpatient experience at the PRUH. Issues included staff shortages, delayed tests and access to physiotherapy. The question to the Board was on the emergency plans to deal with situations such as this.</p>	<p>There have been significant pressures on NHS services during the winter period, including the impact of cases of Omicron. A number of staff members across all services were also affected by the Omicron wave, resulting in staffing challenges. During this time, patients were expected to have normal access to therapy services and to relevant testing. The requestor has been contacted for further information to address the specific concerns that have been raised.</p>
