## Bromley Borough Based Board

DATE: 13 May 2021

<b>Title</b>	Flu Vaccination Programme 2020/21	
This paper is for <b>information</b>		
<b>Executive Summary</b>	To update the board on the flu vaccination programme in Bromley for 2020/21 and feedback uptake figures.	
<b>Recommended action for the Committee</b>	For noting	
<b>Potential Conflicts of Interest</b>		
<b>Impacts of this proposal</b>	<b>Key risks &amp; mitigations</b>	N/A
	<b>Equality impact</b>	Lessons learned from this year's flu programme will be applied to the coming Flu vaccination season, including thoughts about how to improve uptake in those areas where uptake is low. This should serve to reduce inequalities in uptake and outcomes
	<b>Financial impact</b>	N/A
<b>Wider support for this proposal</b>	<b>Public Engagement</b>	N/A
	<b>Other Committee Discussion/ Internal Engagement</b>	N/A
<b>Author:</b>	Dr. Rob Grounds, Dr. Gurprit Singh Mudhar, Jess Seal
