

Health Talks South East London: online engagement platform

Landing page

- This is the first page people are directed to and this will be linked with the CCGs webpage from the “Get involved” tab.
- This will be adapted to include projects and engagement opportunities
- The image below is illustrative and the CCG is sourcing different images to use

Health Talks South East London

Welcome to Health Talks South East London

This is a dedicated space for you to share your ideas, discuss important topics, provide feedback and contribute to good health in our shared communities.

Landing page – example from Sussex CCG

Sussex Health and Care: Your Say

Welcome to Sussex Health and Care: Your Say

This is a space where you can get involved in shaping your health care; share your experiences, suggest ideas to help us help you, take part in surveys and forums and hear back from us when changes take place. We currently have a number of consultations and opportunities to get involved and we want to ensure we're shaping services that our local population want and need.

Title	Date Created	Published	Visibility	Aware	Informed	Engaged
● Parent / Carer attitudes on Covid-19 vaccinations for young people aged 12-17 covid young people vaccination	1 Jul 2021, 11:31	-	Public	0	0	0
● SELCCG's first Covid Booths for young people covid young people	17 Jun 2021, 11:12	-	Public	1	1	1
● Dreamland's First Eco-village	15 Jun 2021, 15:26	-	Public	1	1	1

- All projects are created on this page
- All projects are listed here, including draft, published and closed projects
- Displays number of participants involved and type of engagement

Project example

Dreamland's first eco-village

Home » Dreamland's First Eco-village

Dreamland's First Eco-village

Dreamland District Council (DDC) is working in partnership with Utopia Housing Ltd. to create an eco-friendly, sustainable village with a minimum of 30% as affordable housing.

Documents

Eco-village Map (81.2 KB)
(docx)

- Project description
- Photos & films
- Project documents e.g. links to engagement documents

Ways to get involved e.g.:

- Surveys
- Discussion forum
- Guest book
- Stories
- Ideas generation
- Quick polls

Open = participants can interact with each other e.g. chat forum

Mixed = participants can view comments but limited interaction e.g. stories

Controlled – participants cannot engage with each other e.g. survey

The screenshot shows a forum navigation bar with tabs for Forum, Ideas, Questions, Guestbook, and Stories. Below the navigation, there is a 'More' dropdown menu and a summary of discussions: 'Discussions: All (1) Open (1)'. The main content area displays a post titled 'Ecovillage chat' from '30 days ago' with '1 Response' and social media sharing icons.

Monitoring and analysis

- View activity per project and project tools
- Monitor traffic on site (how often and much people access the site)
- Analyse survey data
- Tagging for narrative analysis

The screenshot shows a web application interface for reporting. On the left is a dark blue sidebar menu with the following items: Reporting (selected), Project Reports, Tool Reports, Forums, Surveys, News Feed, Quick Polls, Guestbook, Stories, Questions, and Places. The main content area is titled 'Summary' and includes a 'Learn about Reporting' button in the top right. Below the title, there are three filters: 'Projects' with a dropdown showing '0', a date range '07 Jun '21 - 06 Jul '21', and an 'Update' button. To the right of these filters is a 'Download Report' button. Below the filters are three expandable sections: 'SELECTED PROJECTS: ""' with a plus icon, 'TRAFFIC', and 'SOURCES OF TRAFFIC'. At the bottom of the main area is a 'PARTICIPANT SUMMARY' section with a minus icon. A green chat bubble icon is visible in the bottom right corner of the interface.
