## MS Teams Background:

The graphic features a circular design with a green and blue color scheme. On the left, a circular logo contains the text 'HANDLE ANTIMICROBIALS WITH CARE'. To its right, a list of antimicrobial types is provided. In the center, a circular inset shows hands being washed with soap and water. On the right side, the NHS logo and the name of the South East London Clinical Commissioning Group are displayed.

 Antibiotics  
Antivirals  
Antifungals  
Antiparasitics

**World Antimicrobial Awareness Week 2021**  
Thursday, 18 to Wednesday, 24 November  
Spread Awareness, Stop Resistance
