Role Title:	One Bromley Clinical Lead - Cancer
Responsible to:	One Bromley Partnership Board
Accountable to:	One Bromley Clinical & Professional Lead
Hours:	0.2 wte (equivalent to 2 sessions per week)
Tenure:	Three years

Role Summary

The primary responsibility of the Clinical Lead is to provide clinical input and support to the One Bromley Local Care Partnership (LCP) in its objective to improve the quality and delivery of Cancer Care in Bromley

The Clinical Lead will act as Clinical Champion and support the members of the LCP in developing clinically effective and efficient pathways that provide high quality care to patients in the most appropriate setting to meet their clinical lead.

This may include:

- Leading Bromley service design projects in partnership with One Bromley Providers
- Ensuring decisions are professionally informed and conducive to the delivery of safe, effective high-quality care.
- Contribute professional advice and specialist knowledge, ensuring best practice and deliver best outcomes to patients/service users
- Participating in the One Bromley Clinical and Professional Advisory Group

Responsibilities will include

- Provide leadership and representation to inform and influence the delivery of care for cancer patients, and to influence stakeholders in driving up standards of care
- Facilitate the development and support the implementation of pathways that support early detection of cancer and appropriate e referrals via the 2 week referral
- Develop and deliver education to the primary, community and secondary care community
- Input into pathway redesign in line with national and local strategy and National Guidance
- Attendance at appropriate Cancer strategic meetings. As well as One Bromley meeting, this will include meetings at South East London and London.

Main responsibilities

The following are the key requirements identified for this role and the approaches needed for them.

Contacts and relationships

- Positively engage with partners and external agencies and act as advocate for One Bromley
- Actively look for potential opportunities with key contacts to improve overall service delivery and performance
- Connect and build trust with colleagues and patients across traditional boundaries - developing strong networks and relationships that work in service of patients over organisations, places or professional groups.

- Engage with GP practices to discuss developments, changes in practice and influence clinical decision making in line with best practice.

Clinical/service decision-making

- Make sound operational, clinical, and professional judgements that ensure safe and effective service provision
- Listen with compassion to the needs, hopes and challenges of those they work with and serve, using this understanding to actively involve others in the decisions that affect their lives.
- Support the Borough Lead to gather, verify, and assess all appropriate and available information to gain an accurate understanding of the situation.
- To complete clinical audits on service activity and service quality that enable service reviews and business case proposals and service specifications to be developed.

Service delivery and outcomes

- Ensure that the needs of service users and their carers are at the core of the way One Bromley delivers services
- Catalyse and embed ways to test and share new and innovative ideas and approaches that improve how we design and deliver care to our patients and population
- Ensure that service delivery models are person centred, outcomes focussed and protective of individual service users' dignity
- Ensure that the service improvements meet all relevant quality standards, specifically CQC, ICS and all relevant NICE guidelines
- Contribute to a robust case for change and support the effective and efficient deployment of resources to achieve agreed outcomes and targets
- Work as a team member developing and maintaining effective working relationships
- Assist in the performance management and monitoring of defined contract areas as defined.

Creativity and innovation

- Encourage and test new ways of working together, collaborating, and learning from each other to achieve our collective ambition to improve the health and wellbeing of our population
- Seek out and embrace different ideas, perspectives, and challenges - being able to adapt and change course by continually learning from others around them.
- Takes an innovative and creative approach to solving problems
- Considers innovation in the workplace an ongoing responsibility and welcomes change as an integral part of both individual and organisation development
- Acts as a positive role model for innovation and a facilitator for change

Planning and organising

- Develops practical and realistic plans to achieve outcomes/objectives
- Considers the wider implications with regards to skills, resources in achieving plans/ outcomes/objectives
- Ensures appropriate resources and levels of capability to deliver priorities

- Takes responsibility for delivery of plans, outcomes and objectives which may involve coordinating and organising others

Communication

- Actively contribute to a culture of positive communication
- Support One Bromley bodies to deliver presentations, webinars and training to staff and externally to partners/ agencies, where appropriate

Financial Management

- Effectively manage resources within your control.

Personal development

- Continually develop own professional knowledge and practise with respect to service speciality
- Maintain professional registration as required (e.g. GMC, NMC, etc.)

Equality and Diversity

- Act in ways that support equality and value diversity
- Identify and seek to mitigate the negative impact of health inequalities in local services
- Help to develop and maintain an organisational culture that supports equality and diversity.
