| Role Title: | Clinical/Professional Lead – Mental Health – One Bromley |
| Sessions: | 1 session per week |
| Responsible to: | One Bromley Partnership Board |
| Line Management: | Senior Clinical Lead for One Bromley |
| Tenure: | Three years, renewable |

Role Summary

The Clinical Lead – Mental Health is a key post within the Bromley integrated commissioning team, working across One Bromley partners, the London Borough of Bromley and other key stakeholders.

The postholder will provide clinical leadership to support the delivery of the Bromley Mental Health and Wellbeing Strategy, providing clinical input into the commissioning of improved services for adults with mental health challenges. This may include clinical input to support decision-making and service transformation in order to deliver excellent clinical outcomes for individuals.

Main responsibilities

The following are the key requirements identified for this role and the approaches needed for them:

- The postholder will provide clinical leadership to the Bromley Mental Health and Wellbeing Strategy programme, providing clinical input into the commissioning of improved services for adults with mental health challenges.
- The postholder will lead work to deliver physical health checks for people on the Serious Mental Illness (SMI) register in Bromley, working with primary care and other colleagues.
- The postholder will provide clinical input into the work of the Bromley Mental Health and Wellbeing Partnership Board and will have a key role in delivering parts of the Bromley Mental Health and Wellbeing Strategy.
- The postholder may be called upon to provide clinical input into individual cases to support the provision and/or commissioning of services to meet identified health needs.

Contacts and relationships

- Positively engage with external agencies and act as advocate for the organisation
- Actively look for potential opportunities with key contacts to improve overall service delivery and performance
- Connect and build trust with colleagues and patients across traditional boundaries - developing strong networks and relationships that work in service of patients over organisations, places or professional groups.

Clinical/service decision-making

- Make sound operational and clinical judgements that ensure safe and effective service provision
- Listen with compassion to the needs, hopes and challenges of those they work with and serve, using this understanding to actively involve others in the decisions that affect their lives
- Support the borough lead to gather, verify and assess all appropriate and available information to gain an accurate understanding of the situation.

Service delivery and outcomes

- Ensure that the needs of service users and their carers are at the core of the way MHC delivers services
- Catalyse and embed ways to test and share new and innovative ideas and approaches that improve how we design and deliver care to our patients and population
- Ensure that service delivery is person centred, outcomes focussed and protective of individual service users' dignity
- Support Service Manager to ensure that the service meets all relevant quality standards, specifically CQC, CCG and all relevant NICE guidelines
- Support the effective and efficient deployment of resources to achieve agreed outcomes and targets
- Work as a team member developing and maintaining effective working relationships
- Keep up to date with relevant policies and procedures.

Creativity and innovation

- Encourage and test new ways of working together, collaborating and learning from each other to achieve our collective ambition to improve the health and wellbeing of our population
- Seek out and embrace different ideas, perspectives and challenges - being able to adapt and change course by continually learning from others around them
- Takes an innovative and creative approach to solving problems
- Considers innovation in the workplace an ongoing responsibility and welcomes change as an integral part of both individual and organisation development
- Acts as a positive role model for innovation and a facilitator for change.

Planning and organising

- Develops practical and realistic plans to achieve outcomes/objectives
- Considers the wider implications with regards to skills, resources in achieving plans/outcomes/objectives
- Ensures appropriate resources and levels of capability to deliver priorities
- Takes responsibility for delivery of plans, outcomes and objectives which may involve coordinating and organising others.

Communication

- Actively contribute to a culture of positive communication
- Support the borough lead to deliver presentations and training internally to staff and externally to partners/ agencies, where appropriate
- Support the borough lead with CQC inspections, service developments and other relevant tasks.

Financial Management

- Effectively manage resources within your control.

Personal development

- Continually develop own clinical knowledge and practise with respect to service speciality
- Maintain professional registration (e.g. GMC, NMC, etc.)

Equality and Diversity

- Act in ways that support equality and value diversity
- Help to develop and maintain an organisational culture that supports equality and diversity.

Eligibility

- Current government guidance requires anyone working in a care home to be double vaccinated against COVID-19 (unless an exemption applies). Evidence of vaccination status (including any relevant exemption) must therefore be provided.
