

Deactivate inactive test request providers.

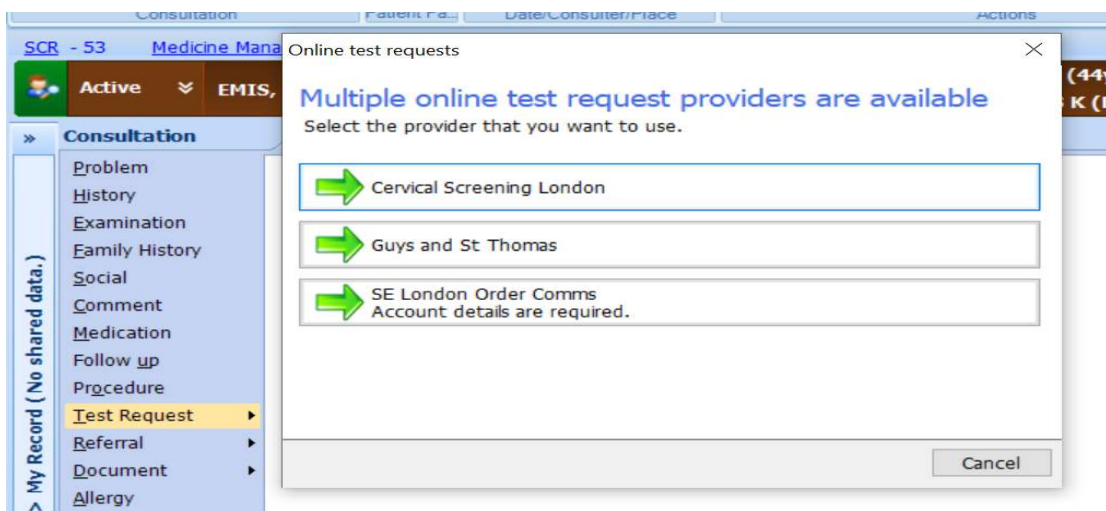

Select System Tools – EMAS Manager – Test Requests, untick providers practice no longer use to request tests.

Once inactive providers are deactivated practice staff should only see:

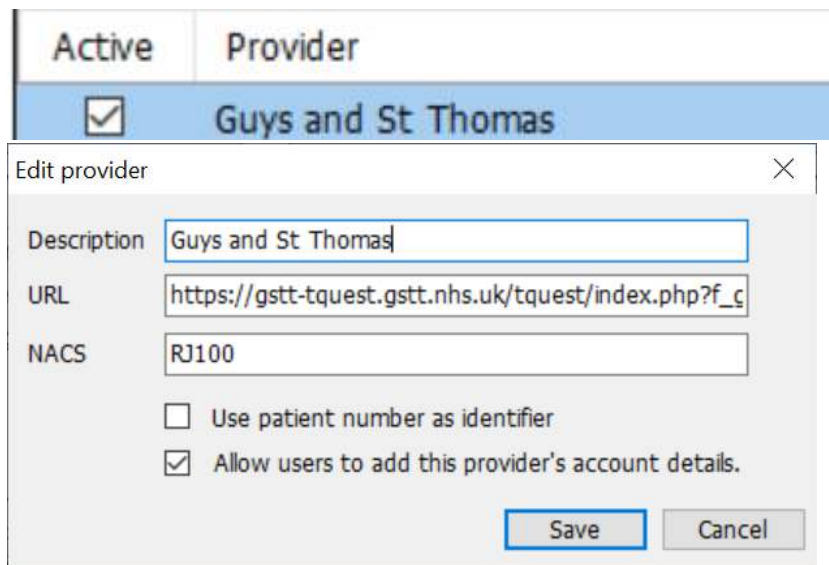

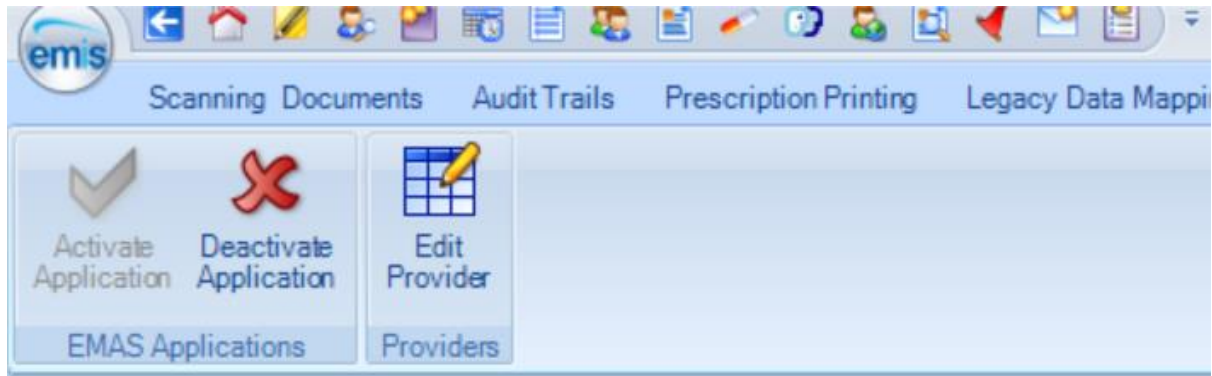

- Cervical Screening London
- Guys and St Thomas/Guys and St Thomas NHS Trust
- SE London Order Comms

Lewisham only will have Lewisham and Greenwich provider for radiology requests until LGT moves to ICE.

Change Guys and St Thomas name.

Select System Tools – EMAs Manager – Test Requests – Indigo Test Requests, highlight Guys and St Thomas provider, click Edit Provider in Description type in **SEL Pathology**
